Sailing is by its nature an unpredictable sport and therefore inherently involves an element of risk. By taking part in an event, each competitor agrees and acknowledges that:

- (a) They are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves, their crew and their boat to such inherent risk whilst taking part in the event;
- (b) They are responsible for the safety of themselves, their crew, their boat and their other property whether afloat or ashore;
- (c) They accept responsibility for any injury, damage or loss to the extent caused by their own actions or omissions;
- (d) Their boat is in good order, equipped to sail in the event and they are fit to participate;
- (e) The provision of a race management team, patrol boats and other officials and volunteers by the event organiser does not relieve them of their own responsibilities;
- (f) The provision of patrol boat cover is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances.

## **INSURANCE**

Each participating boat must be insured with valid third party insurance with a minimum cover of £3 million.

## **PRIZES**

It is for competitors to decide whether their boat is fit to sail in the conditions in which it will find itself. By launching competitors confirm the boat is fit for those conditions and they are competent to sail and compete in them. Nothing done by the organisers can reduce the responsibility of the owners and/or competitors, nor will it make the organisers responsible for any loss, damage, death or personal injury, however it may have occurred, as a result of the boat taking part in the racing. The organisers encompass everyone helping to run the event. The provision of patrol boats does not relieve owners and competitors of their responsibilities.
